

Riverside California Museum and Library Blue Ribbon Task Force

Meeting Number 3, May 19, 2008

Meyer Scherer & Rockcastle, LTD

Riverside CA Blue Ribbon Task Force

Riverside CA Blue Ribbon Task Force

Basis for Decisions

- » Missions of Library and Museum
- » Services
 - » What Services: print, technology, meeting
 - » Time Frame: # years
 - » Where: locations
 - » Changing Nature of Services
- » Population to be Served: Residents, Students, Visitors
- » Where to Serve: location of buildings + interdependence
- » How to Serve: nature of space defined by service
- » Peer Measurement and Comparisons
- » Philosophical + Ideological

The Types

» **A1: Independent**

- » Library operates as Branch Model with expansion based on service model, population served and convenience.
- » Museum expands contiguous to existing building or new site

» **A2: Independent**

- » Library expands main library as hub model with branches
- » Museum expands contiguous to existing building or new site

» **B1: Merged Hybrid**

- » Library expands as needed (A1 or A2)
- » Museum expands on library site for traveling exhibits only
- » Library and Museum share space

» **B2: Independent Hybrid**

- » Library and Museum develop agreement to determine joint use program but minimize dependence on shared spaces
- » Library and Museum expand independently as needed for service but share locations

Next Steps

Next Meeting

- » June 6: 3PM BRTF: Draft Recommendation
- » June 7: Public Meeting
- » Decisions:
 - » Postpone Public Meeting
 - » Use Public Meeting for Expanded Comments
 - » Extend Process to late June after Public Meeting Expanded Comments
 - » Complete the work on June 7 by extending BRTF meeting to the afternoon or minimizing public comments during morning meeting
 - » Other options?
